President’s Message

Well, it seems the groundhog was right and we are having 6 more weeks of winter! With what we have experienced this year so far, I think we are going to have to wait a while for spring. We are all tired of the extra cold and snow we seem to have had this winter, but think we can look forward to it soon being over. Many of our members have decided to break it up and have either been down south or will be going south soon. So much for “global warming”.

In a recent newsletter from PROBUS Canada, March has been declared National PROBUS Month. The first PROBUS Club in Canada was established on St.Patrick’s Day in 1987. To recognize this we would like to have our members try to bring a person with them to the March 10th meeting. Perhaps we can encourage some of them to join our club in the future. As well, we are going to have Ted Nixon, a representative from the National Probud Office, speak to us for a few minutes.

A year ago, our past president asked if anyone was interested in biking, euchre, cribbage or such activities. We already have the hiking, golf and curling but if anyone wants to come forward and be the team leader for any other activities, please let me know and we will help to organize.

In keeping with other activities, Ed Kearns and his committee are going to be at a table at the back on March 10th. Anyone interested in joining them for the spring golf tournament will be able to sign up. Please be ready with your cheque for payment.

Guest Speaker – Kevin Eiben

Our speaker this month is retired CFL All-Star linebacker, Kevin Eiben. He will be sharing with us some career anecdotes, information on the new Tim Horton's Stadium, and the Pan Am games. This very energetic young man has a full business career and in his

"spare" time he is defensive co-ordinator for the McMaster Marauders!

Curling Bonspiel Wrap-up

I don't know why I am smiling in this photo as I accept the Curler's Crying Towel once again. Congratulations go to Milber Giles and all the curlers from the other Probus Club, who gave us a lesson in curling – final score: five games to zero! We'll try again to get the trophy back in 2015. All in all, it was a great day and we all enjoyed the game, the fellowship and a great lunch.

Spring Golf Tournament

The Club is pleased to announce that our spring golf tournament will take place on

Thursday, May 22nd
at Flamborough Hills Golf Club.

Here are some of the initial details:

- All-In cost - \$80.00/member (only \$2.00 more than last year) 18-holes, cart, hot lunch and prizes.
- Luncheon only - \$22.00 - same lunch as last year at the same price.
- Cheques only.
- No registration without a cheque.
- When registering, please indicate your preference of white tees or yellow tees
- Guests are welcome.

Early bookings are recommended as it is expected the Lady's Probus Club members will join us. They will run their own programme and not be mixed with the men. As an example one tee box may have a foursome of men and a foursome of women. The ladies will do their own scoring and issue prizes to their members.

Further details will follow.

Activities

Computer Interest Group

The Computer Interest Group will be meeting at 10:00 a.m. on Thursday, March 13th at the Appleby Place Retirement Living Residence, located on Appleby Line just opposite the Appleby Line Shopping Plaza.

You may park your cars either in the shopping plaza beside, or across the street from the Retirement Residence. The all inclusive attendance fee is \$5.00 per meeting.

The agenda is highly dependent on the questions you send to Bob Lalonde. It allows him to determine responses that will assist not only the requesting member, but in all likelihood, many of the other participants. His email address is robert.lalonde@my-pc-consultant.com.

If you plan to attend, please send a confirmation email to: Jim Lewis jimlewis@cogeco.ca.

Help Wanted - Auditor

As your Probud Club treasurer, I seek an auditor for year- end, September 30, 2014. As I don't have any connections with accounting firms from whom to cadge free service, I thought that our membership may include retired accountants, one of whom might consider acting as our auditor. If so, please contact me - Mike Hoshoooley at either 905-634-2531 or r.m.h@sympatico.ca after April 1st. Thanks very much.

Cheer Committee

Paul Crittenden is the coordinator of the “**Cheer Committee**” function. Members are asked to advise Paul when they learn about serious illness and/or hospitalization of fellow members or their spouses. In turn, Paul will follow up on developments, keep the Management Committee informed and send “well wishing” or “sympathy” cards on behalf of the Club, as appropriate.

You can reach Paul’s on his cell phone at (905) 464-2210 or by email at dpaulcrittenden@gmail.com.

Three old women

Three old women are talking about their aches, pains and bodily dysfunctions.

One seventy-five year old woman says, "I have this problem. I wake up every morning at seven and it takes me twenty minutes to pee."

An eighty year old woman says, "My case is worse. I get up at eight and I sit there and grunt and groan for half an hour before I finally have a bowel movement."

The ninety year old woman says, "At seven I pee like a horse, at eight I crap like a cow."

"So what's your problem?" asked the others.

"I don't wake up until nine."

The April meeting will be on
Monday, April 14, 2014
